If you know people who are always badmouthing Unions and blaming the woes of the world on organized labour, then you might want to cut out this card. Give it to those people. Tell them to sign it and see just how strong their convictions really are

I am opposed to all Unions, therefore I am opposed to all benefits Union have won through the years, paid vacation, paid holidays, sick leave, seniority rights, wage increases, pension and insurance plans, safety laws, worker's compensation laws, Canada Pension, time and a half for overtime hours in excess of eight in one day and 40 in any one week, unemployment benefits and job security.

I refuse to accept any benefits that were won by the Unions and hereby authorize and direct the employer to withhold the amount of all Union won benefits from my pay cheque and donate it to charity.
